## Education

### **San Jose State University - B.F.A Digital Media Arts**

## Work Experience

### **Sales Representative**

MarketSource  
January 2020 to May 2021

I drive mobile sales and protection plans. I stay informed and trained about various and upcoming cellphones, postpaid and prepaid phone plans, and carriers so that I can answer questions may have and be able to find a solution that best fits them. I am able to relay complicated tech information to guests in a simple and coherent manner so that sales can be brought to completion and guests are satisfied with the results achieved.

### **Target Team Member**

Target  
June 2018 to December 2019

I was a guest advocate who provided guests with friendly and helpful service. I assisted them in checking out their products, answering their questions, and providing solutions and made sure they left knowing that their needs came first. I also cooperated with my team members to organize the store so guests could have a speedy and convenient experience. I was successful and efficient in ensuring guest loyalty. I was also a member of the style department, working to ensure the apparel department appeared cohesive and pleasing to customers and answering questions and offering suggestions regarding store apparel, in-person or on the phone,

### **Volunteer Work**

Poetry Center San Jose

I was an Editor of poetry magazine Caesura. I worked with other editors to analyze submitted poems, suggest changes, and put together the magazine.

### **Skills**

I am experienced with the Adobe Creative Suite and how completed projects with InDesign, Illustrator, Dreamweaver, and Premiere Pro

I have also used HTML, CSS, Javascript, and Javascript libraries to create web interfaces and designs.

I am also proficient with Blender and Maya and have done projects involving complex 3D models and designs, and am able to incorporate them with the aforementioned interfaces.
